## ANNA MOCA

Senior Manager of Strategic Projects

White & Case LLP

---

A Senior Manager of Strategic Projects at White & Case LLP, Anna is part of the firm's global knowledge management (KM) team. Based in New York, she helps the firm incorporate artificial intelligence technology into its client service model. She has led global technology projects that support real estate, finance, compliance, marketing, and KM across industries, including construction & design, oil & gas, banking, media & advertising and legal services. Her diverse professional experience allows her to work with internal and external clients on the best technology and process improvement strategies for their particular business challenges. Anna holds a BS in Architecture from the Georgia Institute of Technology and a Master's in Real Estate and Urban Design from Harvard University Graduate School of Design.

## AMY MONAGHAN

Practice Innovations Manager  
Perkins Coie LLP

---

Amy is Practice Innovations Manager within the Knowledge Management (KM) group at Perkins Coie LLP. Amy works side-by-side with practice groups to further KM initiatives, particularly those involving artificial intelligence and other advanced technologies, such as document assembly, logic systems, workflow tools and contract analysis tools. Prior to joining to Perkins, Amy was in a similar role at Chapman and Cutler LLP. Amy received her J.D. from Chicago-Kent School of Law and her B.A.V.C.S. from The School of the Art Institute of Chicago.
