## DAVID HORRIGAN

E-Discovery Counsel and Legal Content Director  
kCura

---

David Horrigan is e-discovery counsel and legal content director at kCura. An attorney, award-winning journalist, and former legal technology industry analyst, David has served as counsel at the Entertainment Software Association, reporter and assistant editor at The National Law Journal, and analyst and counsel at 451 Research. A law school guest lecturer and legal media contributor, David has been cited in The American Lawyer, American Public Media, Bloomberg BNA, Corporate Counsel, JUVE (Germany), The Wall Street Journal CIO Journal, The Washington Examiner, and he has been cited in law reviews and journals of Emory University, Northwestern University, Yale University, and others. He serves on the Data Law Board of Advisors at Cardozo Law School and the Editorial Advisory Board of Legaltech News. He holds a juris doctor from the University of Florida, studied international law at Universiteit Leiden in the Netherlands, and is licensed to practice law in the District of Columbia.

## GARY KINDER

Creator/Founder  
WordRake

---

Lawyer and New York Times bestselling author Gary Kinder has taught over 1,000 writing programs to law firms, corporations, universities, and government agencies. In 2012, Gary and his team of engineers created WordRake, the only software in the world that edits for clarity and brevity, giving professionals more confidence when writing to clients and colleagues. Backed by seven U.S. patents, WordRake was recently hailed as "Disruptive Innovation" by Harvard Law School. And LexisNexis® Pacific has chosen the WordRake editing software to include in its new Lexis® Draft Pro.
